L. Subramaniam LPs with Maynard Ferguson

L. SUBRAMANIAM, MANI & CO. -- Milestone M-9138

Most people are amazed to learn that Maynard played on this 1986 LP with Indian jazz violinist L. Subramaniam. In fact, he solos on "Super Instinct" and "Memories of Jaffna." It's a bit different, but Maynard is Maynard. Like everything he does, the quality is outstanding! A few years ago these were still readily available wholesale in factory sealed condition. No more! That source has dried up, and now it's strictly a second-hand market.
