

Tony Perkins LPs with Maynard Ferguson

TONY PERKINS, FROM MY HEART ... WITH URBIE GREEN'S ORCHESTRA -- RCA Victor LPM-1679

On 3/27/58, Maynard entered the studio in New York City with the Urbie Green Orchestra to record this interesting LP with pop singer Tony Perkins. Maynard played on four tracks: The Kentuckian Song, Speak Low, Boy on a Dolphin, and Saddle the Wind. Only in recent years has this information come to light, so this LP is in very few MF collections. You may know Tony Perkins better as Anthony Perkins, the star of the Alfred Hitchcock movie Psycho. BONUS: IF YOU REQUEST ONE, I WILL SUPPLY A FREE CDR OF THE TRACKS TAKEN DIRECTLY FROM THE LP.

COPY#1. The cover on this one looks NMINT, but the bottom center seam has a clear tape repair (hard to detect) and there's a little surface wear visible on the back. Still it's EX+. The vinyl is also EX+. Overall, an EX+ copy. \$9.00.
