

Julie London LPs with Maynard Ferguson

JULIE LONDON, ABOUT THE BLUES (MONO) -- Liberty LRP 3043

Here's MF backing Julie London on some of the tracks on this LP. Research by Dr, Tom Herb indicates MF likely plays on the tracks Basin Street Blues, I Gotta Right to Sing the Blues, Invitation to the Blues, Sunday Blues, and Blues in the Night. Quite a nice vocal LP, and I'm sure I can hear MF distinctly on I Gotta Right to Sing the Blues.

JULIE LONDON, ABOUT THE BLUES (STEREO) -- Liberty LST 7012

COPY #1. The cover on this copy looks really nice, but upon closer inspection, there's a 4" seam split at upper right and a 1" seam split at lower right. The original owner's name is writing in small blue ink on the back and there's a small rectangular spot of discoloration there, as well, where a price sticker was removed. It's nice enough to frame and display visually but it only rates a VG+. The vinyl is a solid EX. Overall, this one is EX-. \$5.00.
