

Max Roach LPs with Maynard Ferguson

MAX ROACH, STANDARD TIME -- EmArcy Jazz Series 814 190-1

Here's a Max Roach double compilation LP from 1984. It includes the tracks Move and What Is This Thing Called Love, both from the Dinah Washington/Clifford Brown Jam Session on 8/14/54. Classic jazz at its best!

COPY #1. The cover on this one has a very minor bend at bottom right on the front gatefold cover only. There are a couple of tiny, insignificant spots on the front near the right edge. Still, this is a super clean and nice cover and easily rates a NMINT-. The vinyl is NMINT. Overall NMINT- to NMINT. \$11.00

COPY #2. The cover on this one is NMINT. The vinyl is NMINT. Overall it's NMINT. \$13.00.
