

## **Johnny Parker 78s with Maynard Ferguson**

---

### **JOHNNY PARKER, OUR LITTLE RANCH HOUSE / TWO WEEKS WITH PAY -- Capitol 1108**

Maynard entered the studio with singer Johnny Parker and conductor Pete Rugolo on 5/26/50 to punch out these two tunes. Few MF collectors have copies of these tracks, as they're extremely hard to find. If I have a copy for sale, be sure you give purchase serious consideration!

NO COPIES AVILABLE AT THIS TIME.

### **JOHNNY PARKER, CAN'T SEEM TO LAUGH ANYMORE / NEVER AGAIN -- Capitol 1162**

Maynard entered the studio with singer Johnny Parker and conductor Pete Rugolo on 5/26/50 to punch out these two tunes. Few MF collectors have copies of these tracks, as they're extremely hard to find. If I have a copy for sale, be sure you give purchase serious consideration!

COPY #1. The labels on this copy are the normal purple variety. They are clean and nice except that someone took a knife or sharp instrument and traced a little 1/2" square around the spindle hole on the Never Again side. The disc itself is a very nice EX+. This one is yours for \$12.00.
