

HOW TO ORDER

Please prepare a list of things you'd like to order and e-mail the list to me at

johnwhimes@yahoo.com

Wait for me to get back to you with a total. Once I've verified that everything you requested is in stock and you're happy with the total, you can either send me the funds using ZELLE or via a personal check or money order mailed to my post office box. Upon receipt of the payment, I generally ship the order the next business day.

International customers should contact me first about payment methods.

CONDITION

All stamps will be F-VF or better unless otherwise noted. If you require VF-XF or better, I can hand-select those for a 10% additional charge.

DISCOUNTS

All orders of \$50.00 or more from this website are eligible for a 10% discount.

GUARANTEE

All items are unconditionally guaranteed. If you're not happy with something you order, please let me know and I'll make it right. I have a no-hassle return policy and I will pay return postage for any items sent by me in error.
