

Elmer Bernstein CDs with Maynard Ferguson

ELMER BERNSTEIN, TO KILL A MOCKINGBIRD - BLUES AND BRASS -- El Records ACMEM278CD

Here's a wonderful CD from 2014 that contains Elmer Bernstein's movie soundtrack from To Kill a Mockingbird, as well as the tracks from his great LP entitled Blues and Brass. Maynard can be heard prominently on trumpet on several of the Blues and Brass tracks. Other trumpeters on this disc include Pete Candoli, Conte Candoli, Ray Linn, and Conrad Gozzo!!! Great, great jazz. I predict this CD will become quite rare over time.
